

Why hire AHIMA-credentialed professionals?

“Because they are experts in managing healthcare data and protecting the privacy and security of medical records, and play an essential role in helping organizations migrate to the electronic health record (EHR)”

*Charles Christian, FCHIME
Chief Information Officer
Good Samaritan Hospital
Vincennes, IN*

AHIMA offers nationally recognized, rigorous certification exams for healthcare privacy, coding, and HIM. For more information, visit www.ahima.org/certification, or call toll-free (800) 335-5535.

increasingly electronic and global environment through leadership in advocacy, education, certification, and lifelong learning. For information about the Association, go to www.ahima.org.

AHIMA is the national association of health information management (HIM) professionals. AHIMA's 48,000 members are dedicated to the effective management of personal health information needed to deliver quality healthcare to the public. Founded in 1928 to improve the quality of medical records, AHIMA is committed to advancing the HIM profession in an
